

Narcotic Trial Set For Monday

Lt. Col. J. C. O'Donnell New HAB Commander

SHAKESPEARE didn't have the primary department of First Methodist's vacation Bible school in mind when he wrote "Then the whining schoolboy, with his satchel, and shining morning face, creeping like a snail unwillingly to school". Youngsters in this department couldn't wait for the next day to come so they could get together. Mrs. Minor Nelson and Joylene Tilley taught this group. This is a do-it-yourself picture where names are concerned. We have the names of the children and some we recognize, others we don't. Here they are: Chris Rath, Stella Mumme, Paula Stanga, Debbie Sutton, Debbie Heyen, Marsha Whitten, Jane Gilbert, Toni Clapham, Don Faselier, Ada Carrasco, Sammy Fawcett, Dan Holloway, Sammy Bybee, Garland Wiemers, Carla Sue Grunewald and Penny Grunewald.

First Base Command

"There is a friendly atmosphere in Hondo that I know I'm going to like," commented Lt. Colonel John C. O'Donnell, new commander of Hondo Air Base as he began the duties of his first base command on Monday of last week. Reared in the small town of Oakland, Md., he expressed his contentment by saying he felt right at home in Hondo.

Col. O'Donnell entered military service in 1940 and was commissioned a second lieutenant in 1941. After graduating from pilot training, he was assigned to the Far East Command as a B-26 pilot and operations officer. During this period, he completed 40 combat missions and was credited with destroying four enemy aircraft. He returned to the United States in 1943.

After two years in the States, Col. O'Donnell was assigned to the Far East Army Air Force where he served as group operations officer for the 38th Bomb Group.

Upon his return to the United States in 1946, Col. O'Donnell entered Antioch College at Yellow Springs, Ohio, where he received a B. A. degree in 1948. An assignment to Headquarters USAF, Washington, D. C., as Staff Plans Officer in the overseas division, followed. In 1953 he served as Air Force liaison officer in Chile, South America.

Before coming to Hondo, he was assigned as wing personnel officer at Laredo Air Force Base. He has been awarded the Distinguished Flying Cross and the Air Medal.

Although he has hunted deer in Maryland, he confessed that his favorite sport was fishing. With a chuckle, he said he liked fishing better since he found it difficult to hit the broadside of a barn with a shotgun.

His wife, Colleen, and his nine-year old son, John, Jr., have joined Col. O'Donnell in Hondo. They are living in the house formerly occupied by the Lt. Colonel and Mrs. George Reinberg.

"The very excellent relationship which I am told exists between the town and the base is no I wish to see continued," Col. O'Donnell remarked. "I am looking forward to meeting everyone in Hondo."

CITY COUNCIL OFFERS WEED CUTTING SERVICE

When City Council met Thursday of last week, pro-tem Mayor Milton Batot presided while Mayor Thomas B. Knopp is recuperating from surgery in San Antonio. In order to make Hondo a healthier place to live, the Council voted in favor of offering a weed-cutting service to people who have vacant lots. Because the men are not allowed to work on private property during regular working hours, the City will have to pay time and a half for after hours and on Saturday. Anyone wishing to avail themselves of the service, can do so by calling either City Secretary O. L. Moss or Superintendent of Streets John G. Britsch. The rate is \$3 per hour. Payment will be made in the city offices after the work is accomplished.

Election returns were canvassed and Fritz J. Leinweber was administered the oath of office as alderman to serve the unexpired term left vacant by the resignation of Dr. T. B. Knopp to become mayor. The City agreed to have the Little League practice field, on the Universal-Rundle Corporation property, graded.

Present at the meeting were Al Schiffer, Bruno Schweers, Sam Lanham, Fritz Leinweber, W. F. Gaudin, Homer Wilson, Frank Vance, Paul Bybee and Glen Pope.

After a meeting with a delegation from the Air Base concerning sanitation in general, it was agreed that a man would be on duty at the dump grounds from 9 a.m. until 6 p.m. each week day, to keep the grounds in a more sanitary condition. People having garbage to dump should contact this man before leaving it.

Meeting time for the Council has been changed to 5:30 p.m. each second and last Thursday in the month.

Council approved a separation of streets and sewer systems for Hondo. A street department has been set up which will maintain streets, parks, cemeteries and care for the dump grounds. John G. Britsch was named superintendent of the street department, effective June 1, 1957, at a salary of \$300 per month.

Supervision of all city personnel was placed under the office of the city secretary.

The tax roll as presented by the tax assessor collector in the amount of \$31,668.60 for 1956 was accepted.

Those from Hondo are Thomas R. Zuberbuehler, Ray A. Highsmith, Bernardo N. Hernandez and Aureliano V. Flores.

Others are Juan M. Guajardo, Jr. and Bernardino G. Silva of Devine, Thomas Sutch and Felipe R. Gonzales of Yancey, and Frank Reyes of D'Hanis.

Prio County registered five and LaSalle County, seven.

Although no charges resulted, an estimated damage of \$385 was reported by Highway Patrolman Heideman when two vehicles were involved in a collision in Hondo at 10:40 a.m.

A 1955 Oldsmobile driven by William Edward Fitch of San Antonio attempted to pass a 1953 International truck driven by Jose Alvarez of Hondo as he was making a left turn. Fitch said he didn't see the blinker light of Alvarez's truck in time to avoid the

collision. Damage to the truck was estimated at \$10.

Patrolman Kay Phillips investigated an accident which occurred two miles east of Castroville at 6:25 p.m. A 1948 Chevrolet driven by Emma Vogt Naegelin of Castroville pulled into Highway 90 from Farm Road 471, making an East turn without having clear right of way. A 1952 Ford Sedan, driven by R. E. Spooner of Rosita Coahuila, Mexico, traveling East on Highway 90 applied brakes and swerved left to miss the Naegelin car but could not estimate damage to the Naegelin car was \$150. Mrs. Naegelin was charged with failure to grant right of way at the intersection.

A Dodge pickup driven by John H. Strait of Hondo and a Studebaker sedan driven by Johnnie R. Price of Hondo collided when neither one saw the other vehicle until too late to stop. No charges were made. Estimated damage to the Dodge was \$60, and \$70 to the Studebaker.

The Sheriff's department investigated a collision which occurred at the intersection of 18th Street and Avenue L in Hondo at 11:05 a.m.

"Naturally, we are very sorry that conditions did not work out in the moccasins business that would justify re-establishing the Mustang factory as contemplated at the time we took over the business of the old Mustang Shoe Manufacturing Company."

Marijuana Peddler To Answer Charges

The petit jury has been summoned for Monday, June 24, to hear the case of Ruperto Isais Gonzalez, 19, booked on charges of possessing marijuana.

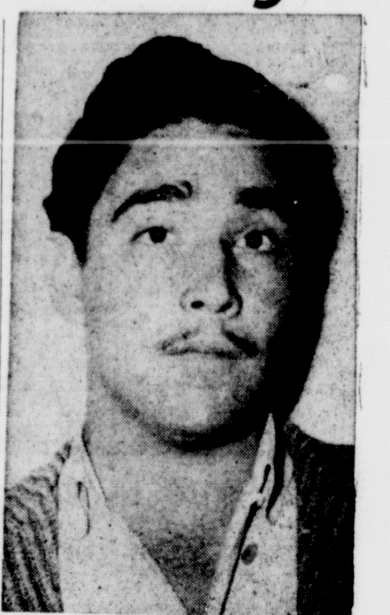

On February 26, the Medina County Sheriff's Department seized a 1949 Buick east of Hondo on Highway 90 and found 60 pounds of refined marijuana, valued at approximately \$90,000 on the illegal market.

Gonzales gave his home as Piedras Negras, Mexico, and told agents he had taken 240 pounds of marijuana to Chicago a short time before his capture. The 60 pound load he was caught with was destined for San Antonio.

San Antonio Detective Manuel Ortiz, posing as a narcotics buyer, was approached by a man who offered high quality marijuana from Mexico and Ortiz agreed to buy. Delivery was to be made in San Antonio on February 26, but Gonzales' car broke down, so he contacted Ortiz.

Seven narcotics agents participated in making the arrest and Gonzales was confined in the Medina County Jail.

He will be prosecuted by R. S. (Bob) Crawford, local district attorney and Roy Barrera, first assistant district attorney in San Antonio. The court appointed attorneys Frank Vance of Hondo

and Joe Briscoe of Devine for the defense.

WEILBACHER CASE
The case of Detective William (Bill) Weilbacher, San Antonio Narcotics Squad, will also be heard. He is charged with murder without malice in a shooting at Laredo some time ago.

Wm. Kelly Takes Lion Gavel

W. J. Kelly was installed Wednesday night as new Lions Club president at the annual installation of officers banquet in the High School cafeteria at 8 p.m. He accepted the gavel from outgoing president, Edgar Stiegler.

As his last official act before turning over the duties to Kelly, president Stiegler told of the achievements of the club for the year. Projects included a \$25 donation to the Boy Scouts of America; a \$100 donation to the golf course for shrubbery; five pairs of glasses for needy children; expenses for two children from Medina County who were sent to the Texas Crippled Children's Camp; and \$1,100 which was raised for the Arthur Galluchi family with the assistance of Hondo Air Base.

Principal speaker for the occasion was Terrell Lewis, deputy district governor for Lions International. He spoke on the stewardship and leadership of Lions Clubs here and abroad and the democratic ideals they were spreading.

Other officers installed were first vice president, O. J. Bombard; second vice president, Jean Ulbrich; third vice president, R. C. Boward; secretary-treasurer, Edgar Stiegler; tail twister, Richard Sedwick; lion tamer, John Kolinowski; and directors, Bob Nations and Everett Abbot. Directors held over were Dr. Joe Mims and Rudy Proctor.

Mustang Co. Moving To Yoakum

A letter, dated June 13, was received by O. L. Moss, city secretary, from the Mustang Shoe Manufacturing Company, signed by C. C. Welhausen, president. A portion of the letter is as follows:

"It was the hope of our company to be able to resume manufacturing in Hondo thereby employing more local people. Unfortunately, demand for moccasins has not increased during the past year and we have succeeded in keeping only a small force to handle shipments in Hondo. We would therefore be willing to release this property to the City of Hondo so that you can find a tenant that would be more advantageous for you to have. We plan at an early date to consolidate the stock and shipping force with our Yoakum operation and the building could be available any time you desire to make use of it."

"Naturally, we are very sorry that conditions did not work out in the moccasins business that would justify re-establishing the Mustang factory as contemplated at the time we took over the business of the old Mustang Shoe Manufacturing Company."

WITH TEACHERS like Rita and Laura Meyer, who wouldn't like to go to vacation Bible school? Small fry in the nursery department of St. Paul's Lutheran Church had the time of their lives at school. Pictured with Rita and Laura are Sharon Boehlen, Ronnie Lively, Dennis

Neuman, Cornell Saathoff, Sherman Mumme, Sandy Saathoff, Lanell Saathoff and Weldon Honig. School started June 3 and closed June 15.

Sixty youngsters registered for the Bible school. Other classes were kindergarten, Mrs. William Honig and Mrs. Chester Saathoff; Schuchle and Mrs. V. M. Schultz.

Primary, James Honig; Juniors, Mrs. Adam Weynand; Intermediates, Barbara Weynand; and Junior Catechism class, the Reverend K. Windecker.

Assistant teachers were Mary Nietenhoefer, Judy Leinweber, Dorothy Moehring, Mrs. Hobby Schuchle and Mrs. V. M. Schultz.

Randy Dadds busies himself with what looks like a futuristic drawing in a paper plate which might be just his dish. Randy was one of 112 enrolled in the eight-day school. An average daily attendance of 92 was recorded. School began June 3 with commencement the evening of June 12.

"Don't Write, See Me," Says Hon. Richardson

"A personal visit means a lot more than a letter or a wire," the Honorable Jack Richardson, representative at Austin, told members and guests of the Medina County Farm Bureau county-wide meeting Monday of last week.

A well attended meeting, farmers and ranchers were urged by Richardson to at least write or wire their desires concerning bills to enable him to act in their behalf. He contended, however, that a delegation of people bears much more weight than letters or wires. He went on to explain how the legislative body acts on bills and frequently called to his wife, Sally, who was sitting in the audience, to recall a name or help him clarify a point. Mrs. Richardson is his secretary and executive assistant.

Present at the meeting were Hardt, Bradley Bailey of Hondo, Louis Boehle of Quiki, and Jerry Howard of Devine.

The policy development committee of the Medina County Farm Bureau met at call of the president, Calvin Hardt of Yancey, on Friday evening to discuss policies to be presented to the County Bureau before presentation to the State Farm Bureau in November.

Present at the meeting were Hardt, Bradley Bailey of Hondo, Louis Boehle of Quiki, and Jerry Howard of Devine.

HORSESHOE CONTEST AT LACY GYM

Hondo's summer recreation program for school age children is growing in both numbers and activity. An average of 60 children per day took advantage of the facilities in the Lacy School Gym this week.

As of Tuesday, 63 youngsters had signed up for the horseshoe tournament to be held Friday. The tournament will be divided into three groups, according to age, and ribbons will be given to the top three winners in each division.

Giving director Tom Moseley a hand with the youngsters at play is Mary Jo Meyer. Moseley has asked for more volunteers to help with the expected increase next week.

Local Students Make Honor Roll

The 1957 Spring Semester Scholarship Honor Roll of Sul Ross State College has been announced.

Among those listed from Hondo were James Clyde Ham, a freshman student; Mary Jo Meyer, a sophomore student; Monette Schweers, a junior student; and Nell Nixon, also a junior at Sul Ross.

James is the son of Mr. and Mrs. J. E. Ham. Mary Jo is the daughter of Mr. and Mrs. Joe W. Meyer. Monette is the daughter of Mr. and Mrs. M. F. Schweers, and Nell is the daughter of Mr. and Mrs. J. P. Nixon of Hondo.

Four Collisions Reported Past Week, No Injuries

Of four accidents, the past week, two were attributed to failure to yield the right of way and no injuries were reported. But guardian angels and peace officers were kept alert.

WEDNESDAY

A 1951 Chevrolet driven by Pat Wootton of Sabinal and a 1955 Chevrolet pickup truck driven by Bruce Rogers Freeman of Abilene collided at the intersection of Highway 90 and Farm Road 173 at 9:15 Wednesday morning. No injuries were reported but damages were estimated at \$200, according to Patrolman Harry F. Heideman who investigated the accident. Freeman was charged with failure to yield the right of way.

THURSDAY

Although no charges resulted, an estimated damage of \$385 was reported by Highway Patrolman Heideman when two vehicles were involved in a collision in Hondo at 10:40 a.m.

A 1955 Oldsmobile driven by William Edward Fitch of San Antonio attempted to pass a 1953 International truck driven by Jose Alvarez of Hondo as he was making a left turn. Fitch said he didn't see the blinker light of Alvarez's truck in time to avoid the

GUAR

Favorable reports have been received that many farmers are planting crops for the purpose of adding more humus to the soil. A number have already planted several hundred acres of guar on the oat land or other idle land. It is recommended that 5 to 6 pounds of guar seed should be planted per acre. Be sure that the seed is inoculated with Special Urbana Guar Inoculator or Nitrogen "Formula E" before planting.

SHEEP

The damp weather and lush growth of grass is causing trouble for the sheep producers to a greater extent than has been noticed for a number of years. According to Dr. R. D. Turk, Parasitologist of Veterinary Medicine at A&M, two main types of intestinal roundworms that cause trouble in sheep are the common stomach worm and the bankrupt worm. The first sign of stomach worm trouble is an anemia or paleness of the skin and membranes of the mouth and eyes. Phenothiazine is a very effective treatment for the common stomach worm. Phenothiazine-salt mixtures cannot be relied on for control of these parasites in wet seasons. Bankrupt worms cause a different problem in that phenothiazine will not rid the animal of the worms and when this treatment fails to produce the desired results, the best thing is to remove the animals from the pasture for a time and feed them.

GRAIN SORGHUM

Present prospects indicate that a good grain sorghum harvest will be made in Medina County this year. Some will be making plans for farm storage and it is time to complete these plans or clean up your old storage facilities. The county agent has available plans for buildings if new construction is contemplated. Also the following bulletins along this line are available B-246, "Drying Grain With Unheated Air", L-275, "Planning Farm Storage", and L-233, "Maintaining Quality of Far, Dried and Stored Grain".

GILTS

Recently the registered Hampshire gilts were distributed to 4-H boys for their swine program that is sponsored by the Sears Foundation. This program operates by the boys growing out the gilts and returning a gilt the following year to keep the program operating. The boys receiving the gilts this year were Virgil Britsch, Hondo; Larry Neumann, Hondo; Charles Hamm, Hondo; Sammy Wells, Hondo; Royce Hartmann, Hondo; Paul Honig, Hondo; Franklin Stein, Rt. 4, San Antonio. The boy was awarded to James Gooding of Hondo.

4-H ROUND-UP

The county agent accompanied George Gooding of Hondo and George Keith of Natalia to the State 4-H Club Round-Up held at A&M College last week. George Keith participated in the boys public speaking contest.

The county agent in cooperation with the Texas Agricultural Experiment Station recently made arrangements for test plots for using a herbicide on white brush. The test plots are located on the Oscar Bader ranch east of Quilhi. The chemical used was MCP which has been found that it will kill this brush. It was applied on May 15th, using different formulations of the chemical and different strengths to determine which will be recommended for general use after the tests. Mr. Wayne McCulley, who is the leader in this project, states that very favorable results were obtained last year with this herbicide. He also stated that for good results the white brush should be growing very vigorously and that the local conditions this year looked very favorable for a good kill. It is planned that later in the summer a field day will be held to show the public the results of this demonstration.

The county agent will be out of the county next week attending the district 4-H Club Encampment held at the M-O Ranch near Hunt. The boys attending from this county are George Keith, Natalia; John Wesley Ward, Devine; Roger Bippert, LaCoste; Carl Richter, Jr., Castroville; Tony Langfeld, D'Hanis.

Present prospects indicate that a bumper grain sorghum crop will be produced this year. In many of the fields the crop is beginning to put the head out of the boot. The high humidity of recent weeks has been very conducive for a large build-up of insects to attack the crop. The main insects that will be found on the grain sorghums will be the sorghum webworms and the sorghum earworms. A spray consisting of toxaphene and DDT is recommended, using 1 and one-third to 2 quarts of the mixture per acre depending upon the infestation. Application should be made during the middle of the day when grain heads are open. Application should be made when seedheads are in full bloom. Do not apply within 30 days of harvest.

Another insect that has caused severe damage in the past on corn, grain sorghums, and broomcorn is the corn leaf aphid. They are first found feeding in the whorl of the young plants but under severe infestations the leaves may be covered entirely and cause a yellowing condition. When the aphids feed in the whorl of the plants, they are well protected from insecticidal treatments. Frequently beneficial insects prevent severe damage by these aphids. If insecticidal treatments are needed, apply 1/2 to 1 pint of parathion (2 pounds per gallon), 1 to 1 1/2 quarts BHC (1.2 pounds gamma per gallon) or 1 pint 20 percent TEPP per acre as a spray. Do not apply parathion within 21 days or BHC within 30 days of harvest.

George Koch Attends FFA State Meeting

New officers presided when the Hondo Future Farmers of America met in regular session Monday night.

Kenneth Nietenhoefer gave a report on the Revaldina FFA Officers Training School held in Utopia June 3, 4, 5 and George Koch was elected to serve as voting delegate at the State FFA Convention to be held in Ft. Worth July 17 through 19. Several other members plan to attend the convention.

John McAnelly gave a report on the FFA and 4-H Range Study Camp to be held in Junction August 12 through 17. Only fifteen FFA and fifteen 4-H members will be allowed to attend this camp. It is sponsored by the Texas Extension Service in cooperation with the American Society of Range Management.

Following the meeting, the boys joined the members of the Future Homemakers of America for a swim at the air base pool.

St. Louis Sends Two To Lunch Workshop

SAN MARCOS, June — Mrs. Louis Cadena, Mrs. Eugene Jungman and Mrs. Thelma Rihn of the St. Louis School in Castroville attended the School Lunch Workshop held on the campus of Southwest Texas State Teacher's College June 3-7.

Lunchroom directors received practical experience along with classes at the SWT conference. Members were divided into groups, with one group being responsible each day for planning of the luncheon menu, preparing and serving.

New recipes, hints on better management, and a study of dietetic needs of school children were included in the busy week.

These Forty Years!

Forty years ago, in June of 1917, the Humble Company received its charter from the State of Texas.

The Company was formed through a merger of the properties of a number of independent oil operators. Its founding brought together a remarkable group of men who occupy an important place in the annals of the oil industry:

R. S. Sterling and his brother, F. P. Sterling, the principal organizers of Humble Oil Company from which the present company acquired its name; W. S. Farish and R. L. Blaffer composing Blaffer and Farish; H. C. Wiess with assets from Paraffine and Reliance Oil Companies; Walter W. Fondren and C. B. Goddard, producers; and L. A. Carlton and E. E. Townes as lawyers.

All of these men contributed greatly in adopting the principles, in shaping the policies, and in laying out procedures that have guided the Company's

progress through these forty years. Their influence will survive as long as the Company continues.

They possessed courage and business judgment. They established high standards of performance. They built a strong organization of competent men and women.

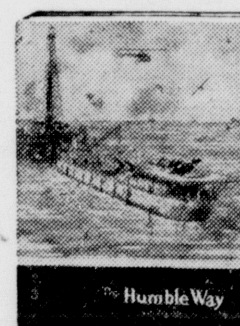

The Company, as it stands today, is a tribute to the leadership, the vision, and the work of its founders.

But it is doubtful that these men, with all the foresight, visualized the changes that have occurred in the oil industry since 1917, or the size and complexity of Humble's present operations, or the extent of the Company's contributions through the years to the progress of our society.

To all who have made those contributions possible—employees, customers, shareholders and the people of the states in which the Company operates—Humble extends its thanks.

SETTLEMENT NEWS

By Mrs. R. H. Bayer

M&M R. H. Bayer, Carmen, Ralph, Dorothy and Mrs. Rudolph Posch of Biry attended the Quandt reunion at Shelby, Texas, Sunday. Mrs. Posch is one of the original Quandt children, she was the one to travel the farthest distance to the reunion, also the one to bring the largest number of descendants. Mrs. Posch's brother, Herman, was the youngest one. The youngest one attending was Nancy Regina Cendalski of Brenham, great-granddaughter of Mrs. Posch. M&M Marlin Mecher, Sharyn, Janice, Stephen, M&M Erwin Biediger, Kay and Vickie went sightseeing at Kerrville and Comfort Sunday.

M&M August Jungman and son visited M&M Louis Mehr Saturday. The J. M. Horecka family became too crowded to live in the Settlement and moved to the "big city" of Dunlay last week. We hope they like their new home very much. Mrs. Philip Haby visited with M&M Elmer Biediger and Sheila last Thursday. Mrs. Lina Fuos spent several days with M&M J. D. Schweers last week. M&M Erwin Biediger, Kay and Vickie, M&M Wilfred Moehring visited M&M Frank Moehring at Lytle Wednesday evening.

LaCoste News

By Mrs. Ida Jungman

Egdon Hoeke of South San Antonio was looking after his farm near LaCoste during the weekend. Mesdames Mary Gross, Mary Jungman and Ida Jungman spent a pleasant Sunday afternoon visiting M&M Oscar Kaufman near LaCoste. Last week my column read that Mrs. Johnson would be teaching in Castroville which was in error. It is Mr. Johnson who will be teaching. Paul Heimann returned home after a vacation in Alice and other places of interest. Visiting the R. J. Mangolds on Friday were Mrs. Jim Onion and the twins, Jimmie and Janet, of San Antonio. Mrs. Mary Gross and son, Louis and Mrs. Ida Jungman attended the Rosary for Joe L. Tschirhart in Castroville.

ACKNOWLEDGES AN APPRECIATION AND QUOTES SOME LOCAL HISTORY

AN OLD FRIEND WRITES

I have been wanting to write to you for some time. I want to thank you for the nice articles that you have been printing in the Hondo Anvil Herald, old history about my grandfather (Wye-nand), Mr. Brucks and others. I am enclosing a picture of a little history that is fairly old — my first automobile, the two-cyl-

inder Metz. You probably remember it. I ordered it by mail — knocked down — from Waltham, Mass., in February. It was assembled, complete and painted by June 1910, ready for the road. Myself and Bill Ney made the initial trip to D'Hanis on a Sunday afternoon. The only trouble we had was in passing people in horse and buggy. Bill got out and held the horse while I drove by.

MR. WEYNAND'S METZ

Those in the car are, from left to right, as you view the picture: R. S. Weynand, at the wheel; in the first seat are Hildegard Lamm (Now Mrs. Jack Judson, wife of Mayor Jack Judson of Alamo Heights), second — and third, Alfonso Lamm, and in back seat, the father, Prof. William Lamm, Chemistry Teacher at St. Mary's College, San Antonio, and the second on back seat, Ernest Lamm. The picture was taken at 402 Lubbock Street, San Antonio, in 1910.

"You know that I used to be your maintenance man when you had the International Gas Engine to run your presses," recalls Mr. Weynand.

Mr. Weynand writes that he is going to "write an article about

TRAIN WHEELS that failed to keep on turning caused a freight car to derail about five miles east of Hondo Sunday. Pointing to the trouble spot is Rudolf Grun. Damage was due to journal failure, according to railroad officials.

The wheels twisted sideways causing one of them to dig a trench in the ties and roadbed. Grass on right-of-way caught fire from the damaged journal, but was extinguished by the Hondo Volunteer Fire Department in short order. Freight train No. 243 was California bound when the accident occurred at noon-time, holding up traffic on the rails until about 4 p.m.

HIGHLIGHTS and SIDELIGHTS

AUSTIN, TEXAS

Though still four months off, Gov. Daniel's plan for a special legislative session in the fall is already generating lively discussion around the Capitol.

There is sentiment both for and against.

A "memorandum" was reportedly circulated asking persons to write the governor and ask him not to call the special session. It predicted the bills the governor wants would fare no better than before. A long-time House member was believed to be the author of the memorandum.

But if the session is held, Rep. Tony Koriath of Sherman says he hopes the governor will submit small loan regulation as an emergency measure. Koriath's "loan shark" control bill died in committee last session.

NEW "STATES" FORMED

While Texas lawmakers take a break, some probable leaders of the future are trying their hands at government in Austin.

There are nearly 1,000 high school students from over Texas who came to the Capital City for Boys State and Girls State Texas Department of the American Legion and the Legion Auxiliary sponsor the "states" annually as citizenship laboratories for outstanding youngsters.

Participants hear talks by top officials from the governor down, then form political parties, nominate candidates and elect officials of their own.

Aim is to give the students a first-hand understanding of politics and government.

ROAD BUILDING SPEED-UP Texas State Highway Commission is moving swiftly to take advantage of new laws designed to speed up highway construction.

A meeting of the Commission and key personnel was to be held in Houston this week. Objective: to hasten the day when heavy traffic can move safely and smoothly along multi-laned super-highways with no crossroads.

Principal legislative changes are (1) provision for the state to go 50-50 with cities and counties on land buying costs and (2) new authority for the state to obtain land for and have control of super-roads through cities. Goal for 1970, according to Highway Engineer D. C. Greer, is 900 miles of expressways linking Texas' population centers.

First of the new laws means car and truck owners will pay 10 per cent more for their next license plates. Second means state will set speed limits on state highways through towns — no local speed traps.

TOUGHER FOR TEENS

Law enforcement officers will, in effect, have a new hickory stick for teenage troublemakers after August 22.

New laws to go into effect then provide:

1. Youngsters 14 and over can be fined \$100 for speeding, DWI or driving without a license.

2. Parents will be liable up to \$300 for property damage by minor children.

3. Drivers licenses for youngsters under 16 will be harder to get. Department of Public Safety, rather than local county judge, will have say-so.

4. A special "license" will be needed for driving motor bikes and scooters.

Taking a more optimistic view of the same subject were the more than 100 experts, educators and parents in Austin for the Texas PTA's youth development workshop.

Today's youth seems to be "sailing along," they opined, but suggested more interest by fathers might help.

AT LEAST IT'S WET

More and more rain and less and less crops is the farm report from many parts of the state.

Besides flood damage, losses are expected to mount high from wind, hail, rust and insects. And continued heavy rains have washed out more fields, delayed much-needed work in others.

Any more rain will mean complete loss of North Texas grain crops, according to observers. U. S. Dept. of Agriculture reported weather too wet and cool for cotton in all areas but South Texas.

Even so, the stored-up moisture makes farmers generally hopeful. With some clear weather now, some say they might yet get the best crops in years.

For ranchers outlook is even better. Hill Country Hereford Association reported record-breaking sales as grass grows higher, cattle fatter.

BUILDING BOGS DOWN

Continuous rain has brought construction to a "virtual standstill" in many parts of Texas this year.

Building authorizations for the first four months of '57 were one per cent higher than last year, reports the Bureau of Business Research. But actual construction was 4 per cent less due to the weather.

Increase in the authorization totals was attributed to higher costs rather than more building.

BUSINESS ACTIVITY UP

Almost all indicators show Texas business moving slowly, but steadily, ahead of what it was in 1956.

University Bureau of Business Research reported April, 1957, was 6 per cent better than April, 1956. Retail trade was up 8 per cent over last year with family clothing stores showing the biggest jump — 39 per cent.

Bureau analysts foresee "good" retailing for the rest of the year, but with "fierce competition" and a "ruthless squeeze on profits and margins."

SHORT SNORTS

Virgil T. Seaberry of Eastland has been elected president of the State Bar of Texas, according to Austin headquarters. He will take office at the bar's annual convention in Fort Worth in July. First high state official to announce for the 1958 elections is Railroad Commission chairman Olin Cluberson. He has been on the Commission since 1941.

Cotton planting deadlines have been extended until June 20 for farmers in 69 East and Central Texas counties. Agriculture Commissioner John White said the extension was "against my better judgment" as far as pink bollworm control is concerned, but that farmers should not be deprived of a good cash crop.

Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. — (Ephesians 6, 11.)

Temptations to evil surround us daily; we may succumb although knowing the results will make us suffer. Some of us are steel-willed enough to resist—but any one of us can, with God's help, fight valiantly, win gloriously, for then we will not be fighting alone.

**AS AMERICAN
AS LOG-ROLLINGS**

Cooperation is as old as mankind. It's as American as the old-fashioned log-rollings when all the neighbors pitched in to help a young fellow build a log cabin for his bride. Or when the whole community got together to build a little church or school. Cooperatives are as old as America, and as American as ham and eggs.

Rural electric cooperatives were set up for exactly the same reasons that folks used to hold log-rollings. They were organized to bring electric power to rural farms, homes, schools and businesses. Nobody made a profit out of the log-rollings. Nobody makes a profit out of a cooperative. But both the log-rollings and the cooperatives help folks SAVE a lot of money or get something they couldn't get at all otherwise.

Our rural electric cooperative is owned by the very consumers it serves. It is operated on a non-profit basis to provide these rural families, schools and businesses with all the electricity they want—at the lowest possible cost. Today, working shoulder to shoulder with nearly 1000 other rural electric cooperatives throughout the nation, we serve a total of over 14 million rural people.

We got together on this electric log-rolling because there was no other way to get the job done. And we are proud to say we have been successful.

PAGING THE LADIES

Engagement Announced

Miss Mary Lois Langfeld

D'hanis — Mr. and Mrs. Charles Langfeld announce the engagement and approaching marriage of their daughter, Mary Lois, to William Louis Laughlin, son of Mr. and Mrs. Charles Laughlinhouse. The wedding will take place in Holy Cross Church, D'hanis, August 31.

Howerton-Ephraim Wedding Ceremony Read In Uvalde

The altar of First Methodist Church in Uvalde was flanked by baskets of pink carnations, chrysanthemums and fern against a background of candlelight for the marriage of Miss Norma Louise Howerton to Jesse Paul Ephraim, Jr., on Saturday, June 8, with the Reverend Allen Roe conducting the double ring service.

Parents of the young couple are Mr. and Mrs. W. B. Howerton of Uvalde and Mr. and Mrs. J. P. Ephraim of D'hanis.

Mrs. Clarice Harrell sang "Because" and "The Lord's Prayer" accompanied by Mrs. W. H. Johnson at the organ.

Given in marriage by her father, the bride wore a floor length gown of Chantilly lace and net over silk tulle and taffeta with a bouffant skirt designed with a pearl and sequin embroidered bodice. Capped sleeves and neckline were of scalloped lace. Her chapel length veil of silk illusion cascaded from a coronet of pearls and iridescent sequins. She carried, for the traditional something old, a hundred-year old white satin-bound Bible that belonged to the groom's maternal great-grandmother. Her flowers were a white orchid with feathered carnations and blue delphinium.

The maid of honor was the bride's sister, Miss Janice Howerton. Her dress was ice-blue crystalline, differing from the high boat neckline and front bow sash. Her flowers were a colonial bouquet of blue nylon puffs of white carnations and satin streamers. Bridesmaids were Mrs. Will

Ney-Gilhooly Vows Read By The Rev. T. A. French

The marriage of Miss Mary Agnes Ney, daughter of Mr. and Mrs. Herman J. Ney of D'hanis and John Vincent Gilhooly of Chicago, Illinois, son of Mr. and Mrs. Patrick Gilhooly of Providence, Rhode Island, took place Saturday morning in Holy Cross Catholic Church in D'hanis. The Reverend Thomas A. French, chaplain of Incarnate Word College in San Antonio, officiated at the double ring rites.

Mrs. Amos Finger, at the pipe organ, played the processional and recessional marches and accompanied the choir in responses to nuptial High Mass. Wiegand's "Ave Maria" was sung at the Offertory by Miss Earline O'Neill and Henry Martin Finger of Hondo.

The bride wore a formal gown of silk organza over satin with a fitted bodice fashioned with short sleeves and a yoke of Chantilly lace embroidered with iridescent. The bouffant skirt was designed with a panel of Chantilly lace which outlined the chapel train. Her bridal veil of illusion was held in place by a crown of pearls and iridescent and she carried a white orchid in a cascade arrangement of stephanotis.

Miss Mary Ealy of San Antonio was maid of honor. She wore a

Mrs. Stanga Re-elected B&PW Head

Mrs. Elsie Stanga was officially installed Monday night, June 10, as president of the Hondo Business and Professional Women's Club, to serve in that capacity for another year. Serving with her will be Mrs. Vivian Zinsmeyer, vice president; Mrs. Katherine Vincent, recording secretary; Mrs. Sylvia Cunningham, corresponding secretary; and Mrs. Erna Martin, treasurer. Installation ceremony was conducted by Miss Mary Ruth Cameron, with Mrs. Marguerite Murrill, and Misses Anne Davis, Thelma Lynch, and Mary Agnes Hubbard assisting.

The group plans to sponsor a bridge tournament during the month of July, details to be completed and announced later. The public is invited to participate in the tournament.

Mrs. Stanga urged all members to remember the dates June 17 and 18, at which time the Chest X-ray unit, sponsored by the B & P.W. Club, will be in Hondo.

Dinner was served buffet style. Mrs. Norma Bless was welcomed as a new member and Mrs. Lillian Hubert, who is a charter member, as a guest.

Hostesses for the meeting were Miss Cameron and Mesdames Vincent and Murrill.

Nester Family Holds Reunion In Castroville

Members of the Joe Nester family met Sunday at Camp Cayo-ca in Castroville for a reunion. A day of visiting, swimming and a dinner of barbecued chicken was enjoyed by all. Mr. and Mrs. Eugene Huesser were hosts for the occasion.

Those attending from San Antonio were Mr. and Mrs. Homer Nester, Robert, Bill and Eileen; Dr. and Mrs. A. G. Bradford, Alfred, Jr., Martha and David; M&M Reddick, Dwight and Linda; M&M N. W. Ussery, Micki Lee; M&M Allen Koch, Jim and David; M&M Mitchell Koch and M&M R. C. Wolff.

D'hanis relatives were M&M Albert Nester, M&M Ed T. Nester, M&M J. D. Huesser, Larry and Judy; Mrs. Alvina Koch and Miss Hulda Nester.

Other relatives were M&M Ivan and Sud, Dunlay; M&M Mack Baily, Burl, Billy and Ginger, Fredrick, Okla.; M&M Roy J. Nester, Roy, Jr., M&M Jimmy M&M Howard Huesser, Austin; M&M Lloyd Huesser, Dean, Fort Worth; M&M Nelson Cury, James and Greta, Lubbock; and M&M Eugene Huesser, M&M Wesley Huesser and Timothy from Hondo.

Guests were Dr. and Mrs. J. M. Bradford, Miss Beverly Volz, M&M Tony Kosub and daughter, all of San Antonio and Melvin Polk of Castroville.

Another family reunion will be held in Castroville next year.

Gleaners Class Presents Gift To Mrs. E. Craig

The Gleaners Sunday School Class met on Tuesday evening, June 11, at the home of Mrs. John Gore. Seven members and three visitors were present.

After a business meeting and devotional, a gift was presented to Mrs. Elmer Craig, who is moving to San Antonio.

Refreshments were served by the hostess after a social period.

Miss M. Trevino G. I. Forum District Queen

Miss Mary Alice Trevino was elected queen at a meeting of G. I. Forum District 16 recently. She is the daughter of Mr. and Mrs. Encarnacion Trevino.

Miss Trevino will reign at the anniversary dance of the G. I. Forum auxiliary in August. The dance will be held in Hondo.

Miss Eckhart Installed By Rainbow Girls

On the evening of June 4, Miss Eleanor Faye Eckhart was installed as worthy advisor of the Rainbow Girls, Hondo Assembly No. 1, T.

Installing officers were Miss Diane Pope, marshal; Sandra Lockner, chaplain; Dolores Shelton, Ora Lee Bippert, and Betty Stewart.

After the installation service, each officer presented Miss Eckhart with a flower and short poem symbolizing their station. A gavel was given to her by the Assembly. Her mother, Mrs. Harley Eckhart, presented her with a white Bible.

Other officers installed were: Dorene Nehr, Associate Worthy Advisor; Gladene Rogers, Charity; Mary Elsie Heinlein, Hope; Ruthie Crow, Faith; Roberta Faselier, Chaplain; Mary Pope, Driller Leader; Gerri Haines, Love; Martha Sue Gunstream, Religion; Carol Ann Kidd, Nature; Suzanne Rath, Immortality; Janice Chapman, Fidelity; Pamela Enloe, Patriotism; Pam Strickland, Service; Jeanie Do-ler, Confidential Observer; Karenina Grun, Outer Observer; Judy Nester, Musician; Nancy Burch, Choir Director; Linda Tondre, Sue Cason, Marilee Rath, Kathleen Wemmers, Paula Wilson, Choir Members.

The bride is a graduate of Incarnate Word College with a B.S. in nursing, is a member of Alpha Lambda Delta, Alpha Chi Phi, Lambda Delta, Alpha Chi Phi and Who's Who in American Colleges and Universities. The groom is a graduate of St. John's College in Boston, Massachusetts, with a B. A. in philosophy, and was a pilot in the Air Force. At present he is a law student at the University of Chicago. They will reside in Chicago.

MISS BLINKA, E. J. BRUCKS MARRIED IN FIRST BAPTIST

At a candlelight service in First Baptist Church in Hondo, Miss Dorothy Blinka, daughter of Mr. and Mrs. J. V. Blinka, became the bride of Edward J. Brucks, son of Mr. and Mrs. Joe W. Brucks, on Saturday evening, June 8.

The double ring ceremony was read by the Reverend Harold Cornelison, Mrs. Houston B. Eggen, at the console of the organ, played traditional wedding music and accompanied Mr. A. C. Strickland as he sang "Because" and "The Lord's Prayer".

Entering the church with her father, the bride wore a gown of white lace and nylon designed with a fitted bodice. The tulle yoke had a collar of lace and the long sleeves tapered to points over the wrists. Panels of lace enhanced the bouffant skirt which ended in a train. Her fingertip veil billowed from a crown of orange blossoms and rhinestones. She carried a bouquet of daisies centered with an orchid.

Mrs. Alton Luedke of Rockdale, cousin of the bride, was matron of honor. Bridesmaids were Mrs. Marvin Nietenhoefer, sister of the groom, Miss Marjita Rabe of San Antonio, cousin of the bride, and Mrs. Jimmie Cunningham of Tyler. They were gowned in pale green crystalline designed with a fitted bodice and gathered skirt of floor length. A dark green satin cummerbund gave contrast. They carried bouquets of white daisies.

Mr. Bruce Lehmberg of San Antonio was best man, Joe Balzen, Billy Timberlake and Hugo Saathoff served as groomsmen. Ushers were Marvin Nietenhoefer and Ralph Gilliam.

A reception, immediately following the wedding, was held in the garden of the bride's parents. The table was covered with a white cut-work cloth centered with an arrangement of white daisies flanked by hurricane lamps. The tiered square cake was decorated with daisies and was served by Miss Mary Lu Moos, while Mrs. Terry Smith of San Marcos served punch. Miss Shirley Lindeburg registered the 125 guests in the bride's book.

After a wedding trip to Oklahoma City, the young couple will reside in Austin where the groom is attending the University of Texas as a major in electrical engineering.

REHEARSAL SUPPER

Mr. and Mrs. Alfred Brucks were hosts to the Blinka-Brucks wedding party for the rehearsal supper Friday evening.

Daisies were used on the piano and other vantage points in the house. The dining room table was laid with a white linen cloth centered with a single red dahlia in a cut glass dish, surrounded by four crystal dishes in which a single rose floated.

A buffet supper was served by the hostess, who was assisted by Miss Darlene Brucks of Austin.

Mrs. W. O. Rothe Hostess To Martha Society

The newly organized Household of the Order of Martha, No. 662, met in the home of Mrs. W. O. Rothe, with Mrs. L. F. Laake, co-hostess.

Members voted to meet on the 3rd Tuesday of each month. Honor certificates and membership cards were distributed. Dr. Hazel Price Taylor assumed the duty of distributing and collecting the Church linens made by the members for home missions.

Mrs. Mike Baily and Mrs. W. A. Bendele will be hostesses next month, time and place to be announced.

Sometimes

IT TAKES CENTS TO MAKE SENSE . . .

By Sally Brucks

It's vacation time in Texas. During July, August and September our highways will be busier than at any other time of the year. Two things pop into my mind with the incoming and outgoing tide of traffic.

Safety, first. At least nine-tenths of all motor accidents are caused by speed or driver error. Peace officers and highway patrolmen will probably never win a popularity contest, but their alertness in tagging traffic violators has done much to cut down highway fatalities. Sometimes, it is difficult for a motorist to apply common sense to traffic laws until he has been fined enough cents to acquire sense.

Big business, second. Last year, eight and one-half million tourists came to Texas, only twelve percent on business. They spent \$350,000,000 for food, lodging, entertainment, gasoline and all the other odds and ends that go with vacation spending.

Perhaps those of us who stay at home can help set an example on the safety angle by making haste a little more slowly and observing traffic signals and signs. As for making it pleasant to leave some of that \$350,000,000 in Hondo this year, a membership in the Chamber of Commerce will help them promote the ways and means to do it.

NEWSPAPER CRITICS ABOUND

Publishing a small paper is no picnic. If we print jokes, people say we are silly; if we don't they say we are too serious.

If we don't to the office all day, we ought to be out hunting interesting things to write; if we go out and try to hustle we ought to be on the job at the office.

If we don't accept contributions, we don't appreciate genius; if we print them, the paper is full of junk.

If we edit the other fellow's story we are too critical; if we don't we're asleep. If we clip things from other papers, we're too lazy to write them; if we don't we're stuck with our own stuff.

Now like as not some guy will say we swiped this from some other paper.

We did.

REMEMBER WHEN

10 YEARS AGO

Hondo, at last, has a swimming pool. The pool on Hondo Airfield, was opened Thursday of this week to the public of Medina County by James K. Golden.

Miss Nora Karrer was elected to head the Hondo Business and Professional Women for the coming year.

"Give 'em more bubble gum" was the recommendation of Dr. John Henry Meyer, a Hondo dentist. It's good for 'em, he claims.

First building number to go up in Hondo was on R. L. Kollman's Garage.

Rev. H. Ellis Thomas was elected President of the Hondo Lions Club Wednesday of this week.

Mr. and Mrs. Paul Reilly, Jack, Ceila and Glenna are leaving Friday on a two weeks trip to the coast and Washington, D. C. Jerry Smith will carry the mail in Mr. Reilly's absence.

20 YEARS AGO

Yancey — showers fell last week. Roads were well soaked. Mail carriers could not make the routes two days last week.

D'Hanis — Mr. and Mrs. Joe A. Mueller are the parents of a baby daughter born on Tuesday June 15, 1937.

Commissioner Alfred A. Bader is rebuilding the culvert next to the Colonial Theatre this week, and a novel feature is the building of a rock abutment at each end of the culvert. Russell Speece is the mason and is giving a good exhibition of his handiwork.

Castroville — Frank Schmidt, Joe Hoog and W. F. Naegelin made a trip through the Corn Belt Sunday, and unless another rain falls in the next few days, the crop will be very short.

30 YEARS AGO

Announcement of the engagement and approaching marriage of Miss Thelma Young and Frank Jungman was made Tuesday afternoon at a smart bridge tea which had joint hostesses, Mrs. Sam E. Smith and Mrs. Marguerite Collier Palmer at the home of the former in Houston, Texas.

In order to preserve the health of the community and beautify the town, it has become necessary to have a monthly clean-up day for the months of May, June, July and August. Those owning vacant lots are urged to have the weeds removed. Earnest co-operation by all will make Hondo a town of beauty as well as healthfulness.

Mr. Rath, the baker, announces that he will occupy his new building June 25th. Mr. Rath will have a bakery sales room that will be the equal to any found in the larger cities.

Castroville — six boys namely: Paul and Walter Geiger, Milton Stolte, Reinhart Bippert, Arno Loessberg and Martin Kralik, and four girls, Annie Geiger, Thelma Stolte, Lenora Koenig and Lenora Halty, were confirmed at the Lutheran Church Sunday morning.

40 YEARS AGO

Dr. L. A. Koontz and John Koenig were fishing and squirrel hunting below Idlewild last Thursday. They returned with 12 pounds of fish and 8 squirrels.

The new summer 1917 Directory for the Southwestern Telegraph & Telephone Co., has just been completed by the job department of the Anvil Herald and is now in the hands of J. B. Hunt.

L. W. Burrell was in San Antonio this week and brought out a handsome new motor speedster super-six car.

The new state auto tax law became effective July 1st, 1917, and each auto owner is required to register his car with the State Highway Commission at Austin, together with one-half of the annual tax insurance horsepower rating of his car at 35 cents for each horsepower, with a minimum of \$7.50 per year. Unless he has so paid his tax he is liable to a fine of not less than \$10 nor more than \$25 for each day he uses the highways after July 1st. The headlight glare law also is in effect on July 1st, 1917.

50 YEARS AGO

William Breiten reports that he found a guinea's nest a few days ago which contained 50 eggs. These fowls are very prolific layers and are better insect destroyers than quail.

The New Fountain School with Prof. A. B. Brucks as teacher, closed last Thursday after a very successful session. Friday night, an entertainment was given at the Methodist Church and a nice program rendered by the children. Mr. Brucks will retire from the school room as teacher, but from the sorrowful expressions, we know he will be greatly missed by his pupils.

William F. Bippert, of Lower Medina had the misfortune to have the point of one of his fingers bitten off by a hog Sunday morning.

TELEPHONE TALK

SHE'LL GET YOUR NUMBER

Is your personal list of out-of-town telephone numbers complete and up-to-date?

If it isn't, we'll be glad to get any new numbers you need — free of charge, too. Just call Long Distance and ask the operator for the numbers you want.

As always, you'll find Long Distance service is much faster and more convenient when you keep a list and call by number.

Long Distance is a real bargain, too. You can call from Hondo to Ft. Worth for only \$9.00 plus tax (station-to-station, after 6 p.m. and all day Sunday).

I LIKE MY PHONE BECAUSE...

If you were asked to name the one "main" reason why you like having a telephone, what would it be?

Time-saver, maybe? Housewives, especially, get so much more done during the day by using their telephone as an errand boy.

Business aid? The phone is an essential tool for most business and professional people.

Companion? Folks who have to stay close to home because of illness or family responsibilities find the telephone a reliable friend. Frequently, it's their number one means of keeping up

NOT OUT TILL YOU COUNT TEN

Remember this old saying? "Don't lose your temper. Count to 10." Still pretty good advice, I guess.

And 10 can be a magic number for saving your telephone temper, too.

When you make a call and don't get a quick answer, a good rule of thumb is to wait at least 10 rings before you assume no one's there.

Especially during the summer — when people are out in the yard so often — it's a good idea to allow them some extra time to reach the phone.

with friends they don't often get to see.

Others find it reassuring just to have a telephone close by, knowing they can use it to call for help in an emergency.

But most of us, I imagine, like having a telephone simply because it's an easy, pleasant way to visit the people we enjoy and want to talk to.

Telephone service means a lot of different things to a lot of different people. For whatever reasons you like having a phone, you can be sure we're always searching for new and better ways to make it even more useful, convenient, and economical.

Call by number. It's twice as fast.

CARD OF THANKS

FANCY PANTRY

The FANCY PANTRY door opens pie-ously this week. In reply to his grandmother's solicitous "Too much pie, Johnny?" when he sadly refused a third slice, Johnny sighed "No'm, Just not enough boy." Reviewing the recipes sent in, we fervently hope there is enough boy to go around all of them.

CREAM PIE

By Mrs. Alice Rihn

Ingredients:
1 cup sweet or sour cream
1 cup sugar
1 tablespoon flour
2 eggs well beaten
1/2 teaspoon salt
1 teaspoon vanilla
1 apple (or 1 pear) thinly sliced or chopped

Method:
Add flour to sugar, mix with other ingredients, pour into unbaked single crust, bake about 35 minutes at moderate (350 degrees) temperature.

KARO PECAN PIE

By Mrs. Quintin Haby

If you're "nuts" about pie (know anybody who isn't?), you'll be sure to like this one. As easy to make as it is to eat.

Ingredients:
3 eggs lightly beaten
1 cup Karo Blue Label syrup
1/2 teaspoons salt
Two thirds cup pecans coarsely chopped
1 teaspoon vanilla
1 cup sugar

Method:
Mix all ingredients, adding nuts last. Pour into 9-inch unbaked shell, bake 10 minutes at 450 degrees, reduce heat to 350 degrees and continue baking until silver knife blade inserted in center of filling comes out clean.

SOUTHERN FRIED APPLE PIES

By Julia M. Kenny

Mrs. Kenny, who now lives in Dunlay, comes from Tennessee where, in September of each year, her family hold a reunion in Nashville and feature an ex-

change of new and unusual recipes. This is an all time favorite which can be served for breakfast, a morning coffee, or as any occasion dessert.

Ingredients: For the filling,
1 package dried apples
1 cup brown sugar
1/2 cup white sugar
1/4 pound butter or oleo
1/4 teaspoon salt
1/2 teaspoon each cloves, nutmeg, cinnamon, and allspice
For the crust,
3 cups flour
Two thirds cup shortening
1 teaspoon salt
1/2 teaspoon soda
2 teaspoons baking powder
1 1/2 cups buttermilk

Method:
Filling, soak apples overnight in cold water to cover, then cook over low heat about 2 hours until well done. Stir frequently. Add remaining ingredients, cook 10 minutes, set to cool.

Crust dough should be soft. Sift dry ingredients together, blend in shortening, slowly stir in buttermilk. Divide dough in half, roll to 1/4 inch on floured board, cut in saucer-size circles. Place 1 1/2 heaping tablespoons filling in center of each circle. Fold and seal using floured fork. Fry 2 to 4 minutes in deep hot fat until golden brown.

Reluctantly, our dietary pie-ty waver in the balance, we close the door on this week's FANCY PANTRY. Any suggestions on how to win seconds and lose pounds? Whether or no, please do continue to send in your favorite recipes.

ABOUT YOUR HEALTH

A weekly public service feature from the Texas State Department of Health. HENRY A. HOLLE, M.D., Commissioner

Last month an Austin State Hospital physician called the State Health Department to report that a radium needle, being used to treat a patient with skin cancer, had been dislodged or lost.

Did the Department have radiation detection equipment with which the needle might be located? The Department did, and the needle was subsequently found in a gauze bandage.

This incident, one of many that take place every month, illustrates the manner in which the Department's Division of Occupational Health, working in cooperation with private physicians and other agencies, is quietly going about the task of protecting citizens from the dangers of excessive radiation exposures.

A great deal has been said in recent months about the imminent peril the entire nation is facing from excessive radiation. Much of that information has been true in general, but some of it has been misconstrued to the point where people have cancelled much-needed x-ray treatments or examinations because of unjustified fear of radiation exposure.

One of the state's leading radiologists, writing in the Texas Medical Association Journal, has summed up the situation by saying that curtailment of radiologic examinations would cause a failure in diagnosis that would result in many times the number of deaths than would theoretically occur from radiation accumulation in the population 20 generations from now.

There is no question but what the various sources of radiant energy now in use — isotope usage in industry and medical research and the so-called "fall-out" from nuclear weapons testing — are potentially dangerous.

But the very fact that danger exists serves as a sort of safety valve. Persons engaged in peace-

time use of radiation equipment and materials, acutely aware of the hazards, act with caution.

Competent physicians and tists keep accurate records of their patients' radiation exposure level. Wealthy foundations have been set up to train technicians in the safe use of radiologic devices. And federal and state governments — along with medical, and engineering associations — have made considerable investments of money to insure proper control of radiologic equipment.

And as a sort of clincher, Texas State Department of Health is one of five which has complete regulations regarding the registration proper use of all radiologic equipment and materials.

So while it is true that increasing uses of radiant energy in national defense, medicine and industry does demand we exercise every precaution that caution must be taken with common sense. Radiation in controlled amounts can be more beneficial than hazardous.

Luther League Meets In Castroville

The regular meeting of the Castroville Luther League was on June 4, 1957.

The devotional meeting opened with the hymn "Lord Jesus Christ be With Us." Scripture reading was 12 chapter of Romans, verses 1 and 2.

"Am I Attractive" was the devotional topic given by Rose Schneider.

This was closed with the hymn "Abide With Us, Lord Jesus." In the business meeting the League decided to go swimming June 28 in the Alamo Reservoir.

PERSONAL APPEARANCE

By Sally Brucks

JULIA KENNY is a mighty busy person these days. What started out as a hobby has turned into big business. Just to have something to do, Julia started creating hats. Friends saw them and gave her orders. From there, she was asked to give a fashion show at the Officers Club at Hondo Air Base. From then on, it was one show after another in San Antonio and other places. Just recently, Julia rented offices on the mezzanine of the Majestic Building in San Antonio and is having the time of her life trying to fill the orders that keep coming in. My hat's off to you, Julia.

Office just isn't the same without DON WENZL's melodious voice to vary our routine day. He left Friday for Oregon where he will return to college. About a week before he left, he was working at his desk when suddenly he started singing "Jingle Bells". In mid-June, yet! Asked what brought it on and he replied that an advertising man and a good merchant always thinks ahead and he was thinking about Christmas ads so "Jingle Bells" was just so much spontaneous combustion. He used to chuckle over the way he startled the citizens of Hondo by rolling down the street in his wheel chair, singing merrily away.

Nine Latin-American graduates of Hondo High School were honored recently by the auxiliary of the G. I. Forum with a dinner at the Favorite. Blue and white was the color scheme and those who enjoyed the dinner were Misses MARTHA DOMINGUES, DIANE HERRERA, MARY C. DOMINGUES, ELENA FLORES, ADELINA VELASQUEZ and RUBEN ALVARADO, JUAN RAMOS, RAUL GARCIA and PETE HERNANDEZ.

Can't remember when the bird population has ever been as great as it seems to be now. For the past several years, had missed the "Mexican Canaries" and humming birds around our place. This year, however, they are back and a welcome sight they are! Did you know that the Mexican Canary we call it is called "El pajaro de siete colores" (the bird of seven colors) by our good neighbors south of the border? As a songbird, he might not add up to a caged canary, but he puts his heart into his song. Actually, this tiny tech-

Little League Race Led By Aggies

Donny Neuman's Maroon Aggies chalked up two in a row Tuesday to lead the Hondo Junior League with a perfect record, two for two. They defeated Ralph Jones's Red Wings 9-6 at Little League park Tuesday afternoon.

Chanking for the Ags was little Larry Neuman, who has a 2-0 record. Losing pitcher was Williams. The Maroon nine got 10 hits off Williams; the Wings got three from Neuman.

AGGIES CHOP GIANTS

In last week's play, the Ags grabbed a close one from the Yellow Giants by a score of 6-5. Pitching for the "boys from College Station" was Larry Neuman, who gave up six hits and five base on balls. Pitching for the Giants was Frank Hernandez, who was replaced after three and two-thirds innings by Abdon Cantu. Hernandez had no hits; Cantu gave up one.

YANKEES OVER HORNETS

The White Yankees won their first game June 11 by defeating the Green Hornets, 5-3 at the little league diamond.

Winning pitcher was Ronnie Taylor, who struck out nine and gave up three hits. Losing pitcher was Dennis Nietenhoefer, who pitched three innings, giving up four hits before he was replaced by Charlie Mussman. Mussman struck out three, with no hits.

The Yanks scored their five runs on four hits; the Hornets got three hits.

D'HANIS vs HORNETS

D'Hanis's Little League team, managed by Bonnard Rothe and Billy Rothe, played its first game Friday at 5:30, defeating Hondo's Green Hornets 6-1. Monday they won their second game, 5-4 over Castroville. Both games were played on the D'Hanis school diamond.

Pitching for D'Hanis in the opening game were Tony Langfeld and Ray Wolff with Chris Finger catching. In Monday's game pitchers were Ray Wolff, Chris Finger and Tony Langfeld. and M. H. Ney; catchers were John Nester, Ricky Nester, Roland Nester, Eddie Zerr, Larry Huesser, Dean Zinsmeyer, Glen Weynand, Arlen Weynand, Walt Rothe, Rusty Attaway.

JUNIOR LEAGUE SCHEDULE

Schedule of games for Hondo's Junior League baseball teams for next week is:

MONDAY
Blue Darters vs Green Hornets

TUESDAY
Red Wings vs Yellow Giants

WEDNESDAY
White Yankees vs Maroon Aggies

PONY LEAGUE

Tondre's Thunderbirds mauled the Moseley Maruders last Thursday 8-6 in the first Pony League game on Meyer School park.

Winning pitcher was Al Breiten, who took over in the second from Cliff Sadler. Breiten gave up five hits and seven base on balls and struck out five. Losing pitcher was Charlie Neuman, who went the route for the Maruders, allowing two hits, eleven walks and striking out ten.

D'Hanis Leads Hwy. 90 League

D'HANIS vs UVALDE

D'Hanis tightened their grip on first place of the Highway 90 League Sunday by defeating Uvalde 8-1 on the Pirate Field in D'Hanis. The game marked six wins in a row for the nine from D'Hanis.

Starting for the Pirates was Dick Finger, who allowed only one hit for the first five innings. Harlan Wolff took over in the sixth and finished the game, giving up only two hits.

Uvalde's only run was scored in the ninth by an infield error. Pitching for the Red Sox was Jack Henderson, who gave up nine hits and two base on balls. He struck out three.

BRAVES TAKE TIGERS

Hondo's Braves were a little more so Saturday after tromping the Rio Medina Tigers 23 to 6 at the High School field in Hondo.

Winning pitcher was Taylor; Lutz was the losing pitcher.

The Hondo nine scored their 23 runs on 20 hits. The Rio team got nine hits.

Profitable Uses For Johnsongrass

College Station — Johnsongrass is a forage crop or a weed depending on where it occurs. It can be undesirable anywhere under certain field conditions, but farmers in adapted areas may well sing its praises if they are willing to tolerate certain peculiarities.

Johnsongrass can be a good quality hay or grazing crop, according to recent data from the Denton Agricultural Experiment Station. When used as hay it should be harvested in the boot stage, says Extension Agronomist E. M. Trew. Properly harvested, Johnsongrass is as nutritious as Sudan and has comparable quality.

One or two hay crops per season can normally be harvested from Johnson, he says with yields ranging from one to three tons.

Although condemned by some, Trew says Johnsongrass is definitely valuable as a pasture if properly managed. It can be profitably grown with such winter legumes as sweet clover or burr clover. There is some danger, as in all sorghums and sorghum grasses, of prussic acid poisoning if the crop is grazed while resuming normal growth after drouth or frost retardation. Usually the plant contains only small quantities of the acid, however, and few livestock are poisoned by it.

Improved Johnsongrass, Sorghum-Johnsongrass and perennial sweet Sudangrass in 40-inch rows at Denton averaged 5,640 pounds of hay per acre — over 900 pounds above similar crops in 12 inch rows. Overcrowding the plants reduces production materially, Trew warns.

Johnsongrass does have a profitable place in certain agricultural situations. Given a proper chance this "weed" can pay handsome dividends.
